

CERTIFICATION EUROPE™

This is to certify that the
Information Security Management System

Of

Vaultree Limited

At

12 South Mall Cork, Ireland, T12 RD43

Has been assessed by Certification Europe and deemed to comply with the requirements of

ISO 27001:2013

This certificate is valid for the activities specified below:

Vaultree's Information Security Management System includes Organizational Units, Processes and services involved in the creation of the Vaultree's SDK and all Network and IT infrastructure. This ISMS does not cover any additional development practices involved in creating any products or services that are in an early stage of development.

Certification to the standard is made under the Statement of Applicability (version 1.1 dated 22/03/2023) and Certification Europe has adjudged that the exclusions under this Statement do not compromise the integrity of the ISMS.

Certification of Registration remains the property of Certification Europe Ltd.
The validity of this Certificate is maintained on the condition that the Management System is assessed through an on-going surveillance programme and continues to adequately meet the requirements of the standard.
